## CAREER OBJECTIVES

A highly motivated and experienced React front-end developer with a strong portfolio of developing innovative and user-friendly web applications. skilled in creating dynamic and responsive user interfaces using React and related technologies. Strong knowledge of HTML, CSS, JavaScript, and other front-end development tools. Adept at working in a fast-paced environment, collaborating with cross-functional teams, and delivering projects on time.

## EXPERIENCE

### Front End Engineer | Property Source USA Inc

Jun 2023 - Present · Full-time

Dhaka, Bangladesh · On-site

As a Front-End Developer for the Property Source App, I crafted a user-centric real estate platform. my role spanned responsive design, bug resolution, reusable components, performance optimization, API integration, admin, and domain management with SSL.

I ensured a seamless user experience, bug-free code, and cutting-edge technology integration.
